CII Global Innovation & Intellectual Property Summit

‘Building the synergy among Innovation, IP and SDGs for futuristic growth’

Celebrating World Creativity & Innovation Day and World Intellectual Property Day

23-24 April 2024; Hotel Lalit, New Delhi

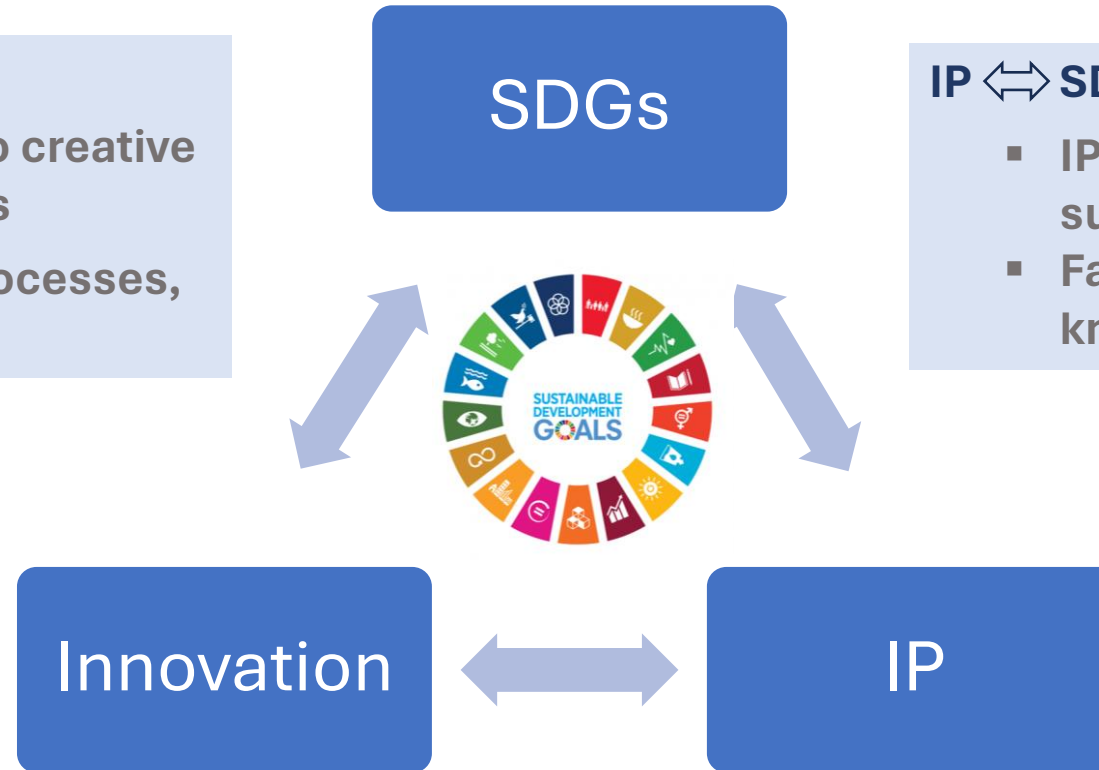

The Synergy of Innovation, IP, and SDGs

Innovation ↔ SDGs

- Innovation as the key to creative & sustainable solutions
- New technologies & processes, for addressing SDGs

IP ↔ SDGs

- IPRs – a key driver for developing sustainable solutions
- Facilitate tech transfer and knowledge

Innovation ↔ IP

- IP as incentive for innovation
- Encouraging higher R&D investment- new solutions

- CII on a mission to promote **Innovation and IP as a Movement** across the Nation and the Globe.
- The Summit will help build a **synergy** among **Innovation and IP excellence through SDGs**.
- **World Creativity and Innovation Day** is celebrated on **21 April** and **World Intellectual Property Day** on **26 April** every year with variety of events and activities worldwide.
- Innovation creates **new momentum towards achieving the SDGs** and provide solutions to some of the most pressing problems such as poverty eradication and the elimination of hunger.
- The Summit aims to promote **innovation and creativity** among the stakeholders and increase awareness and understanding of IP.
- The Summit is poised to provide an ideal platform to raise **the awareness of the role of innovation and IP** in all aspects of human development.
- The **brightest minds in innovation and IP** will converge to redefine and shape the future of SDGs.
